

Car Accident Lawyers Richmond

Car Accident Lawyers Richmond - In today's litigious environment, class actions present significant challenges to governments, businesses and other organizations. Our Class Action Group provides the technical and strategic skill needed for the successful defense of class proceedings. We are pioneers in this evolving and difficult area of the law. Our ability to manage complex, multi-party litigation is proven by our record in the field of class actions.

We have advised and acted in many high profile class proceedings. Our lawyers are regularly called upon to lead, coordinate and participate in the defense of multi-jurisdictional class proceedings. Our knowledge encompasses mass torts such as products liability cases, pension's claims, securities and other investors' claims, biotechnology and commercial claims.

Our class action lawyers advise our several clients in some matters that have not yet matured into issued claims. Our litigators are here to assist you in responding to class proceedings once commenced.

On the area of class actions, we are considered to be leading educators on the subject. Our firm consists of members who have written articles and presented them at both international and national conferences.
