

Criminal Law Richmond

Criminal Law Richmond - Our company's legal professionals, trade-mark agents and patent agents have knowledge in the field of intellectual property. Our lawyers in particular, are extremely skilled in helping our clientele in developing intellectual property methods and helping our clients to create draft applications.

With more than thirty years of experience handling intellectual property, our senior lawyers are well-known for their knowledge and skill. Over time, we have expanded our companies globally to be able to guarantee that our Canadian and international clients have access to intellectual property protection.

Intellectual property is very valuable in a knowledge based economy, especially as the globe is always in a state of transformation. By utilizing our company and our lawyer's innovative legal advice, our clients can realize the full potential of their intellectual property. Our recommendation even helps protect them against infringement, counterfeiting and competition.

We have several experts in our intellectual property Team, including professional PHDs, engineers and scientists who are leaders in trade-marks, patents, industrial design, copyright, and intellectual property disputes and agreements.

We make sure that each and every client is correctly matched with a registered patent and trade-mark agent to draw on their knowledge, ensuring that their intellectual property is well protected.
