This breadth and depth of experience in class actions gives our company a well-rounded view of all sides of a class action.

In the year 1993, after the voluntary recall of breast implants, our firm was involved in numerous class action lawsuits which were the resulting litigation commenced against different breast implant makers. Class action legislation was newly evolving through this period in time. Ever since then, we have been through a lot of product liability class actions. We represented defendants in actions initiated versus the Federal Government regarding temporomandibular joint implants, actions initiated against the manufacturer of the Hepatitis B vaccine, and actions initiated against the Federal Government in relation to silicone gel breast implants.

The various class actions claims consists of various problems, like for instance environmental contamination, investment advice, product liability, travel claims, medical treatment, property insurance and car insurance. We have likewise represented defendants in connection with class actions commenced following major aviation and various transportation disasters.

Our group's Coverage Counsel knowledge includes the involvement behind-the-scenes with reinsurer, primary and excess entities concerning liabilities in class action litigation. This consists of cross-border, local and national litigation. Our group advises and provides monitoring counsel assistance for insurance interests within different cross-border class actions.

Our company has knowledge before various courts, that consist of the Court of Appeals, Federal Court, and the Supreme Court with Leave Applications.

Our Class Action Group will navigate class action cases during all stages of the dispute while knowing the pressures that class action suits can put on both the defendants and the plaintiff class. Defendants in a class action are stressed by both money and time. We have methods so as to reduce interruption, and to move the matter to successful resolution in as timely and efficient a manner as possible. Our very first technique representing defendants is to try to limit the action or have it dismissed completely at the pre-certification phase. We have a track record of doing this for our clients, which means that our clientele are let out of actions without ever having to participate in a certification hearing. Our objective is to resolve the litigation and avoid the need for a class action trial. We have been successful at negotiating favorable class action settlements for a lot of our defendant clients. This frees them from future claims of unknown class members and gives them peace of mind.

Our very first step, for the plaintiff class clients, is to correctly limit the class while drafting the claim to lessen the certification period early on in the process. Our great experience helps us to correctly determine the most suitable case whether it be a class action or large loss proceedings to get the very best results.
