

Richmond Accident Lawyers

Richmond Accident Lawyers - Our firm of insurance experts provide legal recommendation concerning the broad range of issues of insurance to the many businesses in the insurance trade. These could comprise the defense of directors, officers and professionals; subrogated actions; fire litigation; product liability claims; personal injury claims; and class actions. We provide the insurance business with legal counsel at all levels of the Courts and have assisted insurers in policy wordings.

On behalf of private insurers and Insurance Corporations, we act in a wide assortment of property and casualty claims. Our goal is to offer clients with affordable solutions to insurance claims.

We offer corporate recommendation to insurers. Our long-standing relationships with many global and domestic insurance market insurers allow us to provide the insurance industry with cost-efficient and professional counsel.

Professional Liability

We assist in the development of professional liability policy wordings for accountants, engineers and architects, offering opinions and counsel regarding coverage and coverage disputes in these fields.

Municipal Liability

Our partners advise local government members and their Commissions and Boards about coverage issues and policy wordings, in addition to acting as counsel on liability and coverage matters on their behalf. We likewise act for municipalities in liability actions arising out of fire connected losses and code enforcement.

Directors' and Officers' Liability

Claims against officers and directors are handled effectively and quickly. We have experience dealing with coverage matters as control counsel for D&O carriers.

Builders' Risk

We are involved in litigation connected to materials, faulty workmanship, and design exclusion in builders risk policies.

Insurance Fraud

We can provide service to insurers in those problems about insurance fraud. The frauds may comprise coverage suggestion, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insured and third party service providers.

Fire Losses

Our fire loss group is skilled in every aspect of fire connected claims, delivering services in the most effective and focused manner. We provide coverage recommendation as well as manage fire litigation from the initial investigation to the case preparation and presentation phases. We represent insurers when claims of subrogation and bad faith impact their direct interests.

Class Actions

Our lawyers have litigated several high profile class actions in cases that include product liability, financial services and insurance issues.
