Richmond Injury Lawyer - We have skilled and knowledgeable Class Action lawyers which are experienced within both defending and advancing class actions. Because of the rather plaintiff-friendly nature of class action legislation, there have been numerous class action suits which have received nationwide awareness. We have a well-developed network of relationships with class action counsel within various provinces, enabling us to mount a coordinated method in cases where parallel proceedings have been commenced in other jurisdictions.

Class actions normally create a higher level of public scrutiny and greater financial exposure than normal legal proceedings.
