

Injury Lawyer Richmond

Injury Lawyer Richmond - Our Class Action Group provides complex services related to the provision of class action representation and advice. With numerous offices all over the country, we are able to offer seamless national coverage. We have strengths in substantive aspects of litigation. Together with numerous years of knowledge with the complex procedural aspects of class actions, our group offers innovative methods and adequate resources to meet the requirements of clients. We offer risk management to avoid settlements, defense of claims or class action. Our Class Action Group is prepared with strategic responses from the identification stage through to execution.

More than the law

Class actions defense covers more than only the law in the eyes of class action defendants. A class action may comprise many matters like for example financial cost, client reputation, employee and customer relations, public relations and management of time. Our group knows those concerns and brings a client-centred response to bear on the matter. We have knowledgeable legal talent, combined with insight into our clients' needs. Our clients always comes first.

We work with our clients' marketing, human resources, public relations, and financial experts to completely know their corporate priorities. We secure the best professionals. Our focus is on timely resolution with effectual and cost-efficient response times. Our defense litigation plan comprises client and customer relations.

Resources and Expertise

We have substantial resources to bring to our clients' class action proceedings. Innovative methods are vital to the success of any class action defense. Our multidisciplinary class action group builds expertise in the underlying topic of each action, that helps in the setting of strategic goals and ultimately getting optimal outcome for the client. With specialized know-how we efficiently conduct the complicated procedural aspects of class action cases. We have offered advice and services connected to the subsequent class action areas: financial insurance and services, product liability, pensions and employee benefits, shareholder and securities actions, pharmaceuticals, health care and environmental liability.
