

DUI Lawyer Richmond

DUI Lawyer Richmond - Our firm's Intellectual Property Law Team understands the importance of protecting your company's intellectual property (IP). We assist different clients in establishing, monitoring, and enforcing their intellectual property rights. With our 30-year history of skill within intellectual property law, our IP Law Team offers responsive, practical and flexible assistance.

We have an international business and legal network with the resources to advise you and provide assistance on intellectual property law, whether the origin of your intellectual property is overseas or North America. Making use of our network of dependable offshore agents, our very own team can help process your cases and applications in a more timely and cost-effective manner. We offer assistance related to trademark, copyright, patents, industrial design, licensing and plant breeder's rights.

Our clients likewise benefit from the skilled resources of our Business Law Group and our team's agents registered to practice before the Trademark and Patent Offices.
