

Legal Aid Richmond

Legal Aid Richmond - When handling a corporate transaction the ultimate goal is to generate minimum risk whilst maximizing profit. The tax system is absurdly complex in that there are several rules which regulate both domestic and foreign businesses. Our practice provides sound recommendation concerning tax planning and aids in the resolution of tax controversies. We try to guarantee that all transactions run quickly and tax-efficiently.

From the start, we bring in our lawyers to help our clients in matters concerning acquisitions, divestitures, and the negotiation and structuring of mergers. This ensures that every project is tax efficient so that our clients may maximize their profit.

Our lawyers are experienced in transactions regarding power, resources, communications, transportation, technology, real estate, manufacturing and financial services. Additionally, we also advise sovereign wealth funds, private equity investors and pension funds. We have likewise converted numerous royalty funds and income trusts to corporate form.

Our office is well rounded and covers all aspects of tax law including anti dumping, sales tax, and several commodity and trade taxes. Transactions including financial services or manufactured goods that are being done cross-border need an exceptional amount of commodity tax knowledge. Our office has the experience and knowledge so as to assist our clients reach their tax objectives.

Amongst the main sectors we are involved in is acquiring advance income tax rulings. We are likewise usually asked to offer opinions regarding several matters pertaining to tax audits, and to advise on federal and even provincial tax legislation. Furthermore, corporations request us to advise them regarding stock options and other equity compensation arrangements.
