Richmond Tax Lawyers - Our Tax Planning and Dispute Resolution Team offer innovative and practical tax planning solutions. In today's complicated tax environment, good tax advice is vital for both businesses and individuals. Practically each and every aspect of day by day life involves some kind of tax consideration, affecting both business and personal decision making. Whether you are selling or buying a business, handling matrimonial property dispute, issuing securities, estate planning, planning charitable donations or organizing a charity, sound tax advice is important for long-term success in life.

Our clients include individuals, corporations, joint ventures, general and limited partnerships, and various organizations and businesses. We provide services associated to all aspects of mergers and acquisitions, corporate tax planning, estate and wills planning, corporate finance, divestitures, matrimonial property settlements and corporate reorganizations. Our experts in the field of tax law are recognized experts within the field and are frequently invited to make presentations at tax law conferences.

Within Corporate Tax Planning, our tax team provides tax strategies for transfer pricing agreements, mergers and acquisitions, wind-ups, asset transfers, common and preferred share offerings, joint ventures, partnerships and various business problems. We also obtain advance pricing agreements, technical rulings and interpretations. Our lawyers provide knowledgeable, priority, value-based service.

Within the sphere of Resource Taxation, we provide mineral royalties and tax planning suggestion regarding major resource developments, like for instance gas and oil, mining, agriculture and paper and pulp.

We provide sound recommendation about Sales Tax, income tax, tax objections and audits to help achieve resolution of tax disputes. Moreover, our tax litigators would act for clients before the courts whenever necessary.

We can advise and assist with Employment Compensation and Benefits, issues associated to benefits and compensation law and pensions.

Wills and Estate Planning assistance are provided for business owners, individuals and professionals, consisting of preparation of wills and estate planning, income splitting and estate freezes. We assist in the reorganization of closely held corporations.
