

Richmond Real Estate Lawyers

Richmond Real Estate Lawyers - Our company specializes in Real Estate Law and is recognized leader in the purchase, development and sale of real property, leasing transactions and real estate financing. We can assist clients in the development, construction and management of commercial and residential condominiums, office buildings, residential rental projects, hotels, shopping centers and retirement homes. Our clients comprise developers of commercial, residential, institutional, and industrial real estate, domestic and international real property investors as well as providers of property management, construction services and financing.

We have represented both public entities and private developers in transactions involving public-private partnerships (P3) for infrastructure because we are skilled and knowledgeable concerning the institutional, policy and political problems included in implementing and structuring transactions.

We even help clients in the procurement, infrastructure and financing planning using a multi-disciplinary approach, that allows our groups of lawyers to use all the resources accessible within our very own firm. We offer our clients various suggestion required to be successful in real estate joint ventures and syndications, reorganizations, financings, environmental assessments and financial workouts.
