

Richmond Real Estate Lawyer

Richmond Real Estate Lawyer - Our legal team has the extensive experience and skills to handle each aspect of commercial real estate. Our litigators have the requisite expertise and knowledge to assist our clients throughout a multitude of situations. We have built several long term relationships together with our clients, which comprise life insurance firms, lending institutions, crown corporations, various levels of government, contractors, land developers, asset managers, property managers, tenants and landlords.

The portfolio and asset managers and/or legal department of large businesses depend on members of our real estate group to advise them regarding the acquisition, development, and administration of cross-country real estate portfolios. Interaction between our real estate professionals and experts from different disciplines is common to be able to ensure that our clients be given quality service. Some of the different disciplines comprise merger and acquisition transactions, secured lending transactions, infrastructure and large project financing transactions, and private-public partnerships.

We can efficiently and quickly come to a sensible solution to all of your legal real estate requirements, because of the full service nature of our practice, in addition to the expertise and experience of the professionals who work for us.
