

Income Tax Lawyers in Richmond

Income Tax Lawyers in Richmond - Our knowledgeable professionals throughout the country offer many services in matters regarding personal tax and estate planning, tax litigation, corporate tax, and commodity tax fields. We provide our clients assistance and advice for both domestic and international transactions.

A lot of our members have skill serving private industry and government tax departments and normally make submissions to the government concerning tax laws. They are even existing members of several professional organizations like for example the Tax Foundations and the International Fiscal Association. As well, members of our firm normally provide several educational lectures about taxation issues.

Our base of client's include lots of trust companies, financial institutions, pension and mutual funds, accounting firms, foreign enterprises, owner-operated businesses, estates, charitable foundations and trusts. To be able to ensure that the advice our company provides our clients is both proactive and practical, we confer with other professionals in corporate, commercial, real estate and labour law.

Our company is skilled in all areas of tax law and provides specialized services which ensure our clients needs are met effectively and efficiently.
