

Immigration Law Firms Richmond

Immigration Law Firms Richmond - Dealing with employers in legal disputes and legal problems could be challenging and stressful experiences. Our group of experienced and committed employment lawyers represent clients who are subject to unfair, unethical or illegal labour practices, like for instance in cases of discrimination, sexual harassment, wrongful dismissal, or defamation. Difficulties with an employer are often life changing and emotional events, and our employment law experts are here to be able to help you navigate the complexities of employment law with sensitivity and professionalism.

If you believe your labour complaint falls within the legal boundaries of unfair labour practices, it is essential that you call our firm. We would help you determine if the circumstances violate your legal rights. Numerous complaints regarding labour law are hard to prove; therefore, it is important for you to comprehend your legal rights. Like for example, to legally terminate your employment, employers should have just cause and provide you with reasonable notice. Your employer should offer you a reasonable severance package based on the amount of time that you have worked for the company, your age, and the reason you were terminated. If you believe you have been wrongfully dismissed, get in touch with our employment law lawyers so we can discuss the matter with you. If have been the victim of unfair labour practices, we can act in your best interests in any action taken against your previous employer.

There are several various clients that come to our firm for help for matters pertaining to severance packages, employment contracts, wrongful dismissal, safety, health and human rights (including discrimination and sexual harassment), defamation and worker's compensation. We can assist with any of these legal matters or different challenges which may arise between you and your employer.

Labour laws are complex, and it is essential that you do not face the Labour Board unprepared and alone. Our experienced employment law lawyers know your rights and will work so as to protect those rights. If litigation is unavoidable, we will aggressively defend your rights all through legal procedures.
